Please note: only plumbers licensed by the Town of Hempstead can apply for Plumbing related permits!

Special Note: Certain areas shall require installation of special materials dictated by ground conditions observed on the site.

1. Cleanouts are to be provided and located as per code requirements and up to surface grade
2. Piping materials shall comply with code requirements and as per special requirements in certain areas
3. Where cesspools, septic tanks or overflow pools are discontinued after connections are made to a public sewer, the licensed plumber shall have these pools emptied, cleaned, and backfilled with earth, sand or other acceptable clean material within seventy-two (72) hours after connecting to the public sewer.

4. The Installer shall not cover, fill, or conceal any part of this project until the Town Plumbing Inspector has approved sewer piping installation, unless inspected by Nassau County Sewer Dept. & Stamped & Sealed Certificate is issued.
