There are no open/expired/or pending permits on file for 339 Station Rd.

We have approved permits for:

Permit #15-0250: removal of an underground oil tank and installation of an above ground oil tank.

Permit #6-7-158: 5 x 8 deck

Permit #91-182: 32 x 32 detached garage

Permit #86-101: single family modular home

If they would like a formal letter on the building department letter head it would be a \$150 fee for a municipal search.
