

Luzerne County Public GIS Portal

2021 PEMA Aerial Imagery

Help

Search for a property by PIN in the box above. **Remember, do not use any dashes in the PIN, and only use spaces to fill in missing character spaces** (ex. if your **Map** number only has 3 characters, uses 3 spaces to fill in the remainder to complete its full 6 characters.)

PIN FORMAT:

A**B****B****B****B****B****C****C****C****D****D****D****E****E****E**

7**3****H****1****0****N****W****4****0****0****1****0****0****3****0****0**

Above is an example of the PIN for the Luzerne County Courthouse (copy & paste it in the search bar to try it out).

A: Municipality (2 Characters) **B: Map (6 Characters)** **C: Block (3 Characters)** **D: Lot (3 Characters)** **E: IMP (3 Characters)**

Search for an address or PIN to learn more about that parcel. If you don't know the address or PIN, you can additionally use one of these search methods:

- Enter a **Partial PIN or Street Address** in the search bar and pick one of the suggested options. (**Street addresses consist of ONLY structure number and street name with abbreviated suffix**)
- **Click the crosshair button** in the top left of the map to go to your current location.
- Navigate around the map and **click on any parcel**.
- Use the **Advanced Search** tool.

To search for another location, click the 'X' in the search box.
