RE: Right-to-Know Request received by East Brandywine

To Whom it may concern:

Thank you for writing to East Brandywine Township with your request for records pursuant to the Pennsylvania Right-to-Know Law ("RTKL"). On July 16, the Township received your request dated July 16, 2024, for copies of the following records regarding 750 Little Washington Road:

1. *Pending/Expired permits/Demo permits*
2. *Open and or pending code violations*
3. *Unrecorded liens/fines/special assessments*

Please be advised that your request is denied as, after reasonable investigation, the Township has determined that no such records are in its possession.

Pursuant to Chapter 11 of the Right to Know Law, you are entitled to appeal the determination of this office with the Office of Open Records or judicial, legislative or other appeals officer designated under Section 503(d) of the Right to Know Law within fifteen (15) business days of the mailing date of the Township's response. Additional information can be found at the Pennsylvania Office of Open Records' website (www.openrecords.pa.gov).

Please be advised that this correspondence will serve to close out this request with our office as permitted by law.

Very truly yours,
