Dear Dhasarathi:

We are in receipt of your FOIL request regarding property 2290 Maple Ave, located in the Town of Charlton, Charlton, New York. The SBL # on this property is 225.-1-16. This letter will serve to notify you that there are presently no open/pending or expired building permits. There are no fees due to the Building Department at this time.

In addition, there are no Code Violations for this property at this time or Code Violation related fines.

As we discussed in our phone conversation, liens on the property would come through the County of Saratoga offices, not through the town building office.

Please contact our office with any further information that you may be in need of.

Sincerely,

**Laurie Kruppenbacher
Building and Zoning Office**
