Hello,
In response to your

municipal lien search and OPRA request, please see attached. On the building permit list, the "C" under status means the permit is closed, any without a "C" (blank) are open, and "A" means abandoned (all are closed). There is an open sewer utility balance per the attached certificate and if you would like an interest amount through a specific date, please contact the tax office at 732-968-1023 x6616. There are no code violations, special assessments, or municipal liens on file. Thanks,

Anthony Buontempo
