Some people who received this message don't often get email from wneil@stoneham-ma.gov. [Learn why this is important](#)

Good Afternoon

Per our phone conversation 11/15/23 you still need to know if there were any CODE VIOLATION & SPECIAL ASSESSMENT FEES

As I checked with building before and they did not have anything besides what I attached so I would say no to code violations and as for special assessments I do not see any water/sewer/trash liens at this time

Thank You
Wendy Neil
Town of Stoneham
