Public Records Request - 47 CARTER ST.pdf;

You don't often get email from city\_clerk@fallriverma.gov. [Learn why this is important](#)

This afternoon, I received a follow up to the attached public records request from the requester.

I have been advised by the City Treasurer-Collector that there are no unrecorded liens or special assessments on this parcel.

Additionally, the Department of Community Maintenance has advised that there have been no violations issued through that department.

Please advise whether your department has any responsive records that it intends to provide.

Thank you in advance.
