Good Afternoon:

As per your OPRA request received on July 22nd, please be advised that there are no code violations or Special Assessments/liens for the above referenced property in Fair Haven, NJ (Monmouth County). I have attached a report regarding construction permits. As you will see, there is a Radon Remediation permit from a 2013 alteration. If you have any questions regarding the permits, you may reach out to Sabine or Stephanie (Rumson/Fair Haven Building Department), 732-842-3022.

This reply will close out your request. Thank you.
