

Date	Type	Life Hazard	Summary
 10/27/2023 3:04:00 PM	Animal Welfare Concern		<p>Hi, I live at Cutler St. My neighbors at 30 Cutler St. have stray cats roaming everywhere. I saw one take a dump while I was composing this email. The cats have been pooping, peeing, and coming on our deck for months. They are gross and causing our property to smell horrible. We have kids who cannot go outside to play because of cat urine. Sitting out on our deck, gardening, or hanging out is problematic because of the smell. The owner of the house feeds them. I have tried to keep the cats away with scented oils and noise devices. They keep returning. The cats need to go! Please contact me at 973-698-2411. Thanks.</p>
 7/26/2019 10:58:00 AM	Property Not Maintained		<p>Thirty Cutler Steet is a mess! I wrote to your office a month ago and have not heard back at all! I am sick and tired of them not taking care of their property and looking like a horrible mess. They also have two none functioning cars parked in their driveway. Why haven't they been fined or ticketed? The abandoned cars cannot be legal or safe for that matter. When are you guys going to put your foot down and do something? Do I have to call the mayor's office and tell them that nothing has been done about thirty Cutler Street? Do you not care? Please send someone to look at the property and abandoned cars. Thank you! Also, they have all kinds of vermin living under their deck and backyard area that are coming and invading our property. I have small children; I do not want them playing in the yard if there is droppings or the possibility of encountering an animal!</p>
 8/29/2018 8:25:00 AM	Property Not Maintained		<p>LACK OF MAINTENANCE OF PROPERTY WEEDS GROWING OVER FENCE AND SCRATCHING NEIGHBORS CAR.</p>
 6/16/2016	Overgrowth		<p>Descript: OG/Grass. Also, paint chipped and peeling, area around attic windows unfinished. Notes: Location: Quick Loc: #NAME?</p>
