I HAVE WRITTEN BEFORE, ACTUALLY ABOUT TWO WEEKS AGO ABOUT THIRTY CUTLER ST. WHAT IS BEING DONE TO MAKE THEM GET RID OF THE TWO ABANDONED CARS IN THE DRIVEWAY? AND, THE OUTSIDE OF THE HOME ARE DEAD OVERGROWN PLANTS? MY MAIN CONCERNS ARE THE OUT OF CONTROL WEEDS, POISON IVY THAT CONSTANTLY GROWS OVER THE FENCE TO OUR PROPERTY AND THE ABANDONED VEHICLES. MY FAMILY IS SICK AND TIRED OF HAVING TO WALK THROUGH WEEDS TO GET TO OUR CARS EVERY DAY! ALSO, THEY DO NOT CLEAN UP THE BACK OF THE PROPERTY VERY OFTEN, AND THAT ATTRACTS ALL KINDS OF SMALL VERMINE WHICH IS A DANGER TO THE PEOPLE LIVING AROUND THIS HOUSE! PLEASE CALL ME AT 973-698-2411 AS SOON AS POSSIBLE ABOUT THIS SITUATION. IF ACTION IS NOT TAKEN I WILL REACH OUT FOR THE MAYOR, THE COUNTY AND THEN THE STATE. I UNDERSTAND THAT NOT EVERYONE HAS THE MONEY TO FIX EVERY SINGLE ITEM IN AND OUT OF THEIR HOME. HOWEVER CUTTING OR PULLING UP WEEDS, DONATING THE OLD CARS AND REMOVING GARBAGE DOES NOT COST MONEY.
