

Dear Constituent:

Welcome to the City of Miami! This package is intended to provide you with all open Code Enforcement violations and liens attached to the subject property, or properties, as of the current date and time the following report was created. Closed violations and future violations are not included.

A violation may become a lien when the property owner does not timely remedy the violation. This report may include two types of liens: Certified liens and non-certified liens. Certified liens have a set amount to be paid. Conversely, most non-certified liens continue to accrue interest or a per diem fine; therefore, those liens must be satisfied with the City as quickly as possible.

All outstanding violations and liens must be satisfactorily resolved before the City can issue a Certificate of Use (CU); however, the City inspects all properties prior to the issuance of a CU and those inspections may yield additional items, which must be addressed by the owner at the property prior to issuance of a CU.

This search does not include encumbrances, other liens, restrictions or the like, recorded in the Public Records of Miami-Dade County, Florida. Please contact Miami-Dade County for the aforementioned items.
