No worries. That is correct.

Thank you.

Oops sorry about that.

I was looking to know if there are any Open or Expired Building Permits on the property.

The below information states only about Code Violation and Fines, hence there is a confusion

So, I can consider there are NO Open or Expired Building Permits on the property, right?

Hello,

That was the response. Currently there are not any violations, fees or fines showing as due for this property address.

Thank you,
Noelle

The below was already e-mailed this morning to the same request submitted yesterday:

Good morning

We, the City of Canton Building Department, are in receipt of your public records request for 2420 Clyde PI SW. This request has been assigned acknowledgement number 2024-467.

Currently we are not showing any violations, fees or fines due for this property address.

Since no copies were made the customary charge of \$.10 per page does not apply to this particular request

At this point in time we consider this request fulfilled.

Thank you,

Noelle
