To schedule, reschedule or cancel an inspection select the record you want. In the record, select the RECORD INFO Drop Down menu and select the INSPECTIONS menu item.

Search for Records

You can search the County's database for current permit information.

All permits can be searched for in the County's database by entering values for any of the following information:

- General Search
- Project Address
- Contractor License Information
- Parcel Number
- Permit Number

Use the dropdown menu to change the Search type.

You may also search for permit forms, information and additional services at our [Public Works](#) information page. You may verify St Louis County jurisdiction on your project by using our [Municipal Contract Matrix](#).

Please Note: You may need to use % as a wildcard to search an address if you do not type the entire street name. (e.g. outer% = outer 40)
