Connecticut State Building Codes, Connecticut General Statutes and New Britain City Ordinances shall have precedence over submitted drawings and specifications. Anything contrary to said laws and regulations that may at anytime appear on submitted drawings and specifications or in the work as executed, shall be corrected without delay upon notice from the Building Official. Based on the application, an approved building permit shall be a license to proceed with the work and shall not be construed as authority to violate any of the provisions of the State Building Code, except as specifically stipulated by legally granted modification for the State Building Inspector.
