There are no open/pending/expired building permits for Unit B1.

Since there are no open permits, there are no known building code violations for Unit B1.

There are no fees/fines with the Building Department for this unit.

For liens/fines/special assessments, you would need to contact the Town Clerks Office. We do not handle this in the Building Department.

If you would like electronic copies of these permits, please provide me with your best contact number. The fee is \$5.00. We do a credit card payment over the phone, and then email the documents.
