Please **report any storm damage** to our damage assessment teams so we can collect accurate data.

Our crews are picking up **storm-related debris** in affected neighborhoods, and storm debris can also be dropped off **free of charge** to residents at the West Pasco Resource Recovery Center (14606 Hays Road, Spring Hill) from 7:00 a.m. to 4:30 p.m. every day.

These services are being provided for residents of Pasco only. Be prepared to show proof of residency.

We urge you to document your storm debris for insurance purposes in case your provider asks for proof.

Private haulers will pick up regular trash on your regularly scheduled pick-up day.

Please place separate debris at the curb or roadside – being careful not to block fire hydrants, mailboxes, electrical boxes, or any other structures. Do not place debris in bags.

*Note: Contractor-generated construction debris will not be collected.

All new building applications are now found under the Building tab. Applications previously submitted using the Permits tab will still be found under the Permits tab.
