Evan

There is an active sewage inspection permit #230698 valid until 09/29/2028

There is an open code citation #2024-37 for an unpermitted alarm system.

There are no liens/fines/special assessments due at this time however the alarm citation if not corrected is scheduled for a court filing on 01/24/2025

Hello,

Could you please advise status of the request.

Thank you,

Evan Foster
