Subject: RE: Code, Permit & Special Assessments // 13 HAMILTON DR

Good Morning:

I have researched the above address and have not open permits or violations for this property as far as the Building Department is concerned.

You will have to contact Planning & Zoning (b.simons@cityofshelton.org) and the Town Clerk's office (tcoffice@cityofshelton.org) to check on liens and violations.

Thank you,

Helen
