Hi ,

There is an open permit with the Building Department for the above address which is to convert a three season room into living space - #BP-2022-000078 issued on 6/15/2022. This is an active permit in our office. It may have never been called in for a final – which would make it active as of today.

I hope this helps. I will forward any additional information as it comes in, but so far there's been nothing else.

Best regards,

Kirsten Alexander
