Additional Information About FAIRER and Settlement Programs

Violations that have been referred to the New York City Law Department, an NYC Marshal, or the Sheriff for collection are not eligible for the OATH-Adjudicated ECB Judgments Settlement Program. You must agree to the terms and conditions to accept and pay the amount on the eligible violation(s) you select. Please review the terms and conditions [here](#).

Payment Information

The actual ticket is the official record of what has been charged. The City has tried to give you correct information through these computer screens. However:

Errors are possible.

Updates about recent activity may not have been entered.

The results you get depend on the search words or numbers you used.

If the status of the ticket is "New Issuance" you may be required to attend a hearing on the date, time, and place shown on the ticket. Also, if you think you should not have to pay or believe that you should not be held responsible for a ticket on this list, you may ask for a hearing. Please visit the [Office of Administrative Trials and Hearings](#) website for more information.

The "Total Amount Due" reflects what you currently owe on each ticket. The amount you owe may have increased because you failed to respond to your ticket and a default penalty was imposed. It is also possible that the amount you owe increased because you did not immediately pay the penalty, and judgment interest accrued. Please be advised that interest continues to be added as long as the judgment is not fully paid.

If your violation is blocked from online payment, you will see the following messages

Sheriff Marshal Block: The violation has been referred to either the Sheriff's Office or a New York City Marshal for collection. For more information on how to pay your blocked violation, please contact the Department of Finance through our [Customer Service Portal](#).

DOB Lien Block: The violation has been converted to a Department of Buildings lien and payment should be made at [Property Tax Site](#)
