You don't often get email from k.touchette@wallingfordct.gov. [Learn why this is important](#)

Justin Rossetti, the Building Official from our department forwarded your records request to me for compliance. I quick review of our records shows no open permits or property violations; however, it is advised that you visit the Wallingford Town Hall, various departments, to obtain any other information you may need, such as Zoning violations or liens on record with the Town Clerk.
