Date Wed 21/05/2025 05:47

To Melissa Mastrogiovanni <secretary@lowermtbethel.org>; Evan Foster <Evan.Foster@proplogix.com>

Evan,

There are no open / pending permits that need attention and no fees due. Also, there are no Code Violations or fines due that needs attention.

You need to contact Keystone Collection for the Sanitation Certification for 2025.

There is also no outstanding sanitation or street lights owed for prior years.

Melissa
