Code Violations

Compliance Review System

**Please Note:** Zoning code compliance cases have been moved to the Land Use Navigator (LUN).

### To search for records in LUN:

- Launch the [Land Use Navigator](#) system
- Click on the "Complaints/Violations" tab and "Search Applications"
- Use the "Record Type" drop down box to select the appropriate record type and/or enter your search criteria in the various input boxes provided.

If you have questions about using LUN to search for Zoning code compliance cases, contact Zoning Enforcement at (410) 222-7446.

## Building, Grading and Sediment Control Case Search

In the Case ID field, the letter B indicates Building cases, and the letter E is for Environmental (Grading and Sediment Control) cases.
