REQUIRED INSPECTIONS

Construction work must be inspected in accordance with these instructions. The Code Enforcement Department will carry out such periodic inspections during the progress of work as necessary to insure the work installed conforms to the approved construction plans and ALL applicable code and ordinances. The property owner and/or an authorized agent who is in charge of construction work must notify the Township when work is completed and ready for inspection in accordance with the list below. These inspections MUST be scheduled not less than twenty-four (24) hours in advance; but be advised, the inspection will be scheduled at the next inspector's log opening, which may not necessarily be the following day. It is strongly recommended that persons responsible for construction activities try to schedule inspections at least a few days in advance to minimize disruption of construction work timetable.

Phone (215)-766-8914 to schedule inspections.

NOTE: NO WORK IS PERMITTED TO PROCEED UNTIL THE APPLICABLE INSPECTION IS CONDUCTED AND APPROVED BY THE TOWNSHIP.

CONSTRUCTION WORK MUST BE INSPECTED IN ACCORDANCE WITH THESE INSTRUCTIONS.

All required inspections as attached or stated within this permit shall be inspected and approved by the Township, otherwise this permit becomes immediately null and void. The Township has approved stamped plans and specifications for only the work as prescribed in this permit.

I hereby acknowledge and understand the above stated information and agree to follow the prescribed guidelines.
