RE: Loan# xxx0108088

Dear Susan Myatt,

This is a final reminder regarding the delinquent property taxes associated with the home securing your mortgage loan. Despite our previous communications, the taxes remain unpaid as of 09/05/2025 according to the Property Tax Authority's records.

As outlined in your Deed of Trust, you are contractually required to keep all property taxes current. Failure to pay these taxes has serious consequences – your loan is now at risk of being placed into default, which may result in:

- Forced Escrow for Property Taxes
- Negative impact on your credit score.
- Additional fees and costs.
- Potential legal action to protect the property securing your loan.

We understand this may feel overwhelming. Please know that we are here to help. If you are experiencing financial difficulty and are unable to pay the taxes, we strongly encourage you to contact us immediately. Our team is committed to partnering with you to explore available options that may prevent further escalation.

To resolve the delinquency:

1. Contact the Tax Authority listed below to confirm the full amount due.
2. Submit your payment directly to the Tax Authority.
3. Provide our office with proof of payment.
