RE: Loan# xxx022118201

Dear STEVEN G BOSTROM,

We're following up on a previous notice regarding the property taxes associated with the home secured by your mortgage loan. As of 10/01/2025, the taxes remain unpaid per the records of the Property Tax Authority. Under the terms of your Deed of Trust, property taxes must be paid before they become delinquent. If these taxes are not resolved soon, your loan may be placed into default status, which may negatively affect your credit score and overall financial health.

Below, you'll find the parcel number and the relevant tax details, including the total amount currently due. To resolve this issue, we encourage you to contact the Tax Authority directly to confirm the current amount and make payment arrangements. Payments must be sent directly to the Tax Authority.
