Important information about your property tax statement

- Only one tax statement per parcel is mailed per year. Statements are mailed in mid to late March, with the exception of Manufactured Homes, which are mailed in late June.
- If you have paid off or refinanced your mortgage and were escrowing your tax payment, you are responsible for paying the taxes due. Failure to timely pay your taxes due or not receiving a tax statement will not forgive the imposition of penalty and interest.
- If you have not received a tax statement by April 1 of any year (July 15 for manufactured homes), please call 651-266-2222 to request a duplicate. Duplicates are available on our website at ramseycounty.us/Property free of charge.

Schedule of penalties for late payment of property tax – all payments must be postmarked on or before the due date.

If your tax is \$100 or less for real property or \$50 or less for personal property and manufactured homes, it must be paid in full by the first installment date to avoid penalty. If you pay your first half and/or your second half property tax after the due dates, a penalty will be added to your tax. The later you pay, the greater the penalty you must pay. The table below shows the penalty rates that will be applied if your payment is not received or postmarked on or before the due date.
